

Meadowland Farm is offering once again a limited number of shares in its CSA (Community Supported Agriculture) program. CSA members join at the beginning of the season and effectively own a share of the season's produce. By purchasing a share, members are rewarded weekly with a bountiful and diverse basket of homegrown organic produce. Joining a CSA is the most cost effective way to enjoy the quality and deliciousness of super fresh local produce. This year we are again offering a meat option which will include one meat delivery (lamb or pork) once a month for 6 months.

Meadowland Farm CSA will provide members with fresh, organic vegetables for 22 weeks, beginning June 9th 2017. Weekly pick-ups will be at the farm every Friday from 5-8pm. Becoming a member of the Meadowland Farm CSA means more than a weekly vegetable share. Members become part of a farm community. You and your family will visit the farm each week, experiencing the change of seasons throughout the year.

In addition to the weekly produce basket, members will have the opportunity to purchase other products at the Meadowland Farm roadside stand, including pasture-raised lamb and pork, mushrooms, orchard fruits, fresh-cut flowers grown on the farm.
